

Venice

The perfect sun umbrella for NZ conditions

SHADE7
premium outdoor living

The perfect outdoor umbrella for tough commercial environments and windy locations.

What sets our elegant, attractive Venice umbrella apart is the uniquely designed, heavy duty 12mm fibreglass canopy arms. These fibreglass arms can bend and flex making the umbrella super durable and able to withstand wind and rough treatment. This sun umbrella also features strong resin and stainless steel parts and an easy to use rope and pulley system for opening and closing.

Our Venice Tilt umbrella has been specially fitted with a winder operated tilt system, which allows you to tilt the canopy at a 60 degree angle - giving you flexible shade coverage as the sun moves across the sky.

Venice advantages

- Lightweight and extremely durable fibreglass arms
- Strong 38mm dia. aluminium pole with 2.2mm wall thickness
- Venice - 5 year back-to-base frame warranty
- Venice Tilt - 3 year residential back-to-base frame warranty
- European made acrylic canvas fabric with 10 year warranty
- Heavy duty resin and stainless steel parts
- Post can be split into two halves for easy storage/transport
- Easy to open and close with rope and pulley system
- Rust free aluminium and fibreglass frame

Durable stainless steel pulleys & fixings

Super strong fibreglass arms & joints

High quality rope & pin opening system

Marine grade quality & stainless steel hardware

Durable winder system

Optional accessories

Concrete filled base - silver/black 25kg
A strong and durable concrete filled plastic base with aluminium spigot.

Premium wheeled base 25kg
High quality base using galvanised steel with a stainless steel spigot.

You can use your umbrella with a freestanding base or install it using our stainless steel removable spigot system.

Concrete filled base - silver/black 40kg (double stacked)
25kg concrete filled plastic base with an extra 15kg weight for extra stability.

Premium wheeled base 45kg (double stacked)
25kg premium wheel base with an extra 20kg plate for extra stability.

Installation kit
For installation onto a wooden deck or concrete patio.

Protective cover bag (Charcoal)
Highly recommended and easy to use. Will double the life of your umbrella fabric.

European made acrylic canvas

Our premium solution-dyed acrylic canvas comes with a 10 year warranty and has the best available colour fastness rating of 7-8 out of 8⁴. It also has the highest possible rating of UPF 80, cutting out the maximum amount of harmful UV light for excellent sun protection.
